Cboe expressly reserves any and all other rights in and to the Data other than the limited license rights granted in accordance with this Agreement.

regulated or operated by one or more of the Exchanges; (c) Cboe derives from Data that originates on or relates to any of the Exchanges; and (d) is a compilation of information and data that Cboe gathers from other sources pursuant to separate agreements with those sources. The Cboe Specifications, Cboe Systems, and all Data, including without limitation any and all intellectual property rights inherent therein or appurtenant thereto, shall, as between Cboe and Data Recipient, be and remain the sole and exclusive property of Cboe. Data Recipient shall not, by act or omission, diminish or impair in any manner the acquisition, maintenance, and full enjoyment by Cboe, its licensors, licensees, transferees, and assignees, of their proprietary or other rights in any Data, Cboe System, or Cboe Specifications. Data Recipient further acknowledges and agrees that Third-Party Information Providers (i) have exclusive proprietary rights in their respective information and data, and (ii) may impose certain requirements on the use and distribution of their respective information and data and/or information derived from their information and data that may be more restrictive than the rights set forth herein, and accordingly Data Recipient's rights under this Agreement with respect to Data including or based on such third-party information and data is subject to any such requirements imposed by the subject Third-Party Information Provider from time to time, notwithstanding any terms and conditions of this Agreement to the contrary, and any violation of such requirements shall constitute a breach hereunder. Cboe makes no proprietary claim to Derived Data (as defined in the Data Policies).

8. Protection of Data. Data Recipient agrees to use commercially reasonable efforts to prevent any Person from obtaining Data through its equipment or facilities, except as authorized hereunder or in an Additional Agreement. In the event Data Recipient has reason to believe any Data is being obtained by an unauthorized Person from Data Recipient, or its Affiliates or Data Users, Data Recipient agrees to use commercially reasonable efforts to ascertain the source from which, and the manner in which, the same is being obtained and to promptly inform and cooperate with Cboe fully with respect thereto. During the term of this Agreement, Data Recipient shall maintain effective Data Controls for any part of Data Recipient's service for which Data Recipient controls access to Data.

9. Right to Deny Use or Distribution. Cboe retains the right to direct Data Recipient to terminate any use or distribution of Data for any or no reason, in which event Cboe shall notify Data Recipient and Data Recipient shall cease using and/or distributing Data as directed by Cboe as soon as commercially practicable.

10. Use of Name. Cboe shall not: (a) advertise or publicly announce that it is providing services to Data Recipient or its Affiliates or (b) use the name of Data Recipient or any Affiliate thereof in any advertising or promotional materials, including but not limited to, any published list of data recipients or other clients in its Website displays, without the prior written consent of Data Recipient.

11. Right to Audit. During the term of this Agreement and for a period of 12 months thereafter, Data Recipient shall allow Cboe or its appointed agent to inspect Data Recipient's records and systems to verify that internal use and/or distribution of Data (including review of any records regarding the use of, or redistribution of, the Data and locations where the Data is being received) has been in accordance with this Agreement, the Data Policies and Regulatory Requirements. See the Data Policies for further details.

12. Qualification Requirements; Data Recipient Indemnification. Except as otherwise set forth in this Agreement, Data Recipient shall only furnish, or cause or permit to be furnished, all or any part of Data to Data Users that, at the time of receipt thereof, are of a type qualified (as set forth in applicable Regulatory Requirements) to receive Data from Data Recipient. Data Recipient agrees that Cboe may have different qualification requirements for different Data Users. Data Recipient shall defend, indemnify and hold harmless the Cboe Indemnified Parties from Claims and Losses (i) based on or related to Data received by Data Recipient (including without limitation, any Data received, used and/or distributed by Data Recipient) or (ii) arising from Data Recipient's election to distribute Data to a Data User or Person without an executed Data Subscriber Agreement with such Data User or Person.

If any Data User fails to comply with any of the terms or conditions of this Agreement applicable to Data Users, its agreement with Data Recipient for Data, or any other agreement between Data User and Cboe (including the Additional Agreements), or has made any representation in any such agreement which was or has become untrue, then Data Recipient shall, within 5 business days after receipt of notice from Cboe of such failure or untruth, cease providing Data to such Data User and shall, within 10 business days following the receipt of such notice, confirm such cessation by notice to Cboe. Data Recipient shall be solely responsible for the acts and omissions of Internal Subscribers. If a Data User is to be terminated under this provision, then Cboe will request all Data Recipients to cease providing Data to such Data User.

13. Warranty; Disclaimers; Modifications. Cboe represents and warrants that it has the right to grant the rights herein granted to Data Recipient. Cboe represents and warrants that the Data that it makes available to Data Recipient hereunder will be equivalent to the Data it makes available to other Persons entering into a Cboe Global Markets Global Data Agreement that are subscribing to the same Data through the same Data service. Notwithstanding the foregoing, Data Recipient acknowledges and agrees that nothing in this Agreement constitutes an undertaking by Cboe to continue: (a) to make Data, any Cboe System, or any aspect of either, available in the present form or configuration or under the current Cboe Specifications; or (b) to use existing communications facilities. In addition, Cboe, in its sole discretion, may make modifications, additions, and/or deletions to Data, any Cboe System, or any aspect of either, including its communications facilities. Cboe will use commercially reasonable efforts to provide Data Recipient with at least 60 days' notice of any material modification, addition, or deletion to such items, except to the extent a shorter period is: (x) required due to any situation that necessitates modifications, additions, or deletions on an accelerated basis or otherwise precludes such advance notice, or (y) required pursuant to Regulatory Requirements or an order of a court or an arbitrator or by a regulatory agency.

14. Fees. Data Recipient agrees to make timely payment to Cboe or Cboe's designee of applicable Connectivity Fees and Data Fees, as well as any applicable late fees for the failure to make payment within the required time period, in accordance with the applicable Fee Schedules. Connectivity Fees and Data Fees are payable within 30 days of the invoice date. Data Recipient will be solely responsible for any and all telecommunications costs and all other expenses incurred in connecting to and maintaining its connection to, the Cboe System. Failure to make payments within 30 days from the invoice date may result in suspension or termination of distribution of Data by Cboe to Data Recipient. Subject to Regulatory Requirements, Cboe reserves the right to change fees stated in a Fee Schedule, including Connectivity Fees and Data Fees, applicable to Data Recipient. Cboe will use commercially reasonable efforts to provide advance notice to Data Recipient (delivered via email and posted to the Website) of any changes to Connectivity Fees. Except to the extent a longer notice period is required pursuant to Regulatory Requirements, Cboe will use commercially reasonable efforts to provide at least 60 days advance notice to Data Recipient (delivered via email and posted to the Website) of any changes to Data Fees, provided, however, that such notice shall be not less than 30 days prior to the effectiveness of the change. Cboe may amend a Fee Schedule without notice where the amendment is to introduce a new Data product. **Receipt or use of Data after the applicable notice period for any change of Connectivity Fees or Data Fees shall constitute acceptance of such changes by Data Recipient.**

Data Recipient is not required to actually invoice Data Recipient Invoiced Subscribers, but, in any event, Data Recipient shall be responsible for the charges associated with the Data Recipient Invoiced Subscribers. Data Recipient shall bear all risk of non-payment by Data Recipient Invoiced Subscribers or by Data Users for which Data Recipient is responsible for the charges. Data Recipient may choose to pay Cboe any charges due on behalf of any Data User. Upon Data Recipient's payment to Cboe on behalf of any Data User of any charges due hereunder, Data Recipient shall be subrogated to any and all rights of Cboe to recover such charges. Data Recipient shall pay any taxes, charges, or assessments (other than taxes imposed on the net income of Cboe) by any foreign or domestic national, state, provincial or local government bodies, or subdivisions thereof relating to the provision, receipt, use or distribution of Data pursuant to this Agreement, and any related penalties or interest. In addition, if Data Recipient or any Data Recipient Invoiced Subscriber is required by applicable law to deduct or withhold any such tax, charge or assessment from the fees due Cboe, then such fees due from Data Recipient to Cboe shall be increased so that the net amount actually received by Cboe after the deduction or withholding of any such tax, charge or assessment, will equal one hundred percent (100%) of the fees that are owed.

15. Term and Termination. This Agreement, subject to earlier termination in accordance with its terms, shall continue until it is terminated either by Data Recipient on not less than 30 days' written notice to Cboe or by Cboe on not less than 60 days' written notice to Data Recipient. Notwithstanding the foregoing, the right to receive or use the Data may be suspended (in whole or in part) or this Agreement may be terminated immediately upon written notice by Cboe in the event that (a) Data Recipient is not permitted or not able to receive or Cboe is prevented from disseminating Data, or any part thereof; (b) any representation, warranty, or certification made by Data Recipient in this Agreement or in any other document furnished by Data Recipient is, as of the time made or furnished, materially false or misleading; (c) Data Recipient's actions or omissions result in a default of its obligations or covenants under this Agreement or in a breach of any representation, warranty, certification, or other provision of this Agreement, which is material to Cboe or a Cboe Affiliate for regulatory, commercial or other reasons, after Cboe has notified Data Recipient in writing that such action constitutes a default or breach hereunder and has not been cured within 30 days of receipt of such notification by Cboe; (d) Data Recipient becomes subject to trade sanctions issued by the United States or other national or international governmental entity; (e) Cboe, in its sole reasonable discretion, determines that any failure on the part of Data Recipient to comply with this Agreement has or

is likely to have a materially adverse impact on the operation or performance of any Cboe System, Data, or Cboe Affiliate, or is likely to cause disproportionate harm to Cboe's or a Cboe Affiliate's interests should termination be delayed; or (f) the Data Recipient is the subject of an Insolvency Event. The following Sections will survive the termination or expiration of this Agreement for any reason: (a) Sections 1, 5-8, 10-19, 21, 22, 24-27, 29, and 30 and (b) any other provision expressly stated to survive. Any terms and conditions of the Additional Agreements incorporated herein by reference which by their terms are stated to survive the termination or expiration of such Additional Agreements shall survive the termination or expiration of this Agreement.

16. Confidentiality. Under this Agreement, Cboe (and any Cboe designee conducting an audit pursuant to this Agreement) shall keep confidential Data Recipient's System Description and Data Recipient's records, reports and payments that Cboe or its designee has reviewed or audited, and any other Data Recipient information or material reasonably considered to be of a confidential nature (whether or not designated as such), as well as any and all information received in connection with this Agreement, including but not limited to, business, financial, operational, product, service and other information. Data Recipient acknowledges that it may also obtain confidential information, data, or techniques of Cboe or its Affiliates or their respective Third-Party Information Providers (whether or not designated as such). All such confidential information, whether written or oral, shall be deemed confidential upon disclosure to the receiving party. Except as otherwise set forth herein, the receiving party shall use such confidential information solely for use consistent with the purposes of this Agreement; shall hold such confidential information in confidence; and shall not use, disclose, copy, or publish any such confidential information without the prior written approval of the disclosing party. The receiving party shall take reasonable security precautions, including at least as great as the precautions it takes to protect its own confidential information of a similar type, but no less than reasonable care, to keep confidential the confidential information of the disclosing party. The receiving party shall notify the disclosing party immediately upon discovery of any unauthorized use or disclosure of confidential information and will cooperate with the disclosing party in every reasonable way to help the disclosing party regain possession of the confidential information and prevent its further unauthorized use or disclosure. The parties acknowledge that monetary damages may not be a sufficient remedy for unauthorized disclosure of confidential information or copying of, use of, access to or distribution of the Data or any information, data or software contained therein in breach of this Agreement, and that the disclosing party shall be entitled, without waiving any other rights or remedies, to such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction.

Notwithstanding anything herein to the contrary, Cboe (or a Cboe Affiliate) or Data Recipient may disclose confidential information to the extent: (a) demanded by a court, arbitrator, or government or regulatory agency with jurisdiction over one or more of the Exchanges or over Data Recipient or any judicial, government, or regulatory order; (b) necessary to fulfill any Cboe (or Cboe Affiliate) or Data Recipient regulatory responsibility, including any responsibility over Members and associated Persons under applicable Regulatory Requirements; or (c) necessary for Cboe (or a Cboe Affiliate) or Data Recipient and their respective employees, directors, and other agents to use such confidential information consistent with the purposes of this Agreement. If a party is required to disclose information pursuant to clauses (a) and (b) immediately above, such party shall notify the disclosing party in writing, to the extent permitted by law or regulation, of such requirement prior to disclosing such information and provide the original disclosing party with an adequate opportunity to obtain, at its own expense, a protective order or other reliable assurance that confidential treatment will be accorded to the confidential information. The duties in this Section 16 do not apply to data, information, or techniques that: (i) were lawfully in the receiving party's possession prior to the date of this Agreement, provided the source of that information was not known by the receiving party to be bound by a confidentiality agreement with or other continual, legal or fiduciary obligation of confidentiality to the disclosing party; (ii) is now, or hereafter becomes, through no act or failure to act on the part of the receiving party generally known to the public; (iii) is rightfully obtained by the receiving party from a third party so long as the receiving party does not know that the third party has breached any obligation not to reveal such data, information, or techniques; or (iv) can be demonstrated was independently developed by the receiving party without use or reference to the confidential information. All confidential information is and shall remain the property of the disclosing party. By disclosing confidential information to the receiving party, the disclosing party does not grant any express or implied right to the receiving party to or under any patents, copyrights, trademarks, or trade secret information.

Cboe shall not disclose its audit findings to any third parties (other than to relevant Third-Party Information Providers, Cboe's Affiliates and to Cboe's and its Affiliates' directors and independent consultants or subcontractors that are subject to confidentiality obligations or as otherwise set forth herein) and all information learned in connection with an audit shall constitute Data Recipient's confidential information. Notwithstanding the foregoing, nothing herein shall prevent Cboe from using the audit findings to the extent the findings are used in the aggregate with other information and such aggregation does not (a) specifically identify Data Recipient or (b) create a context where Data Recipient's identity may be reasonably inferred.

17. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES. To the maximum extent permitted by law, except to the extent of gross negligence, fraud or willful misconduct by Cboe, or a claim arising out of Cboe indemnification or confidentiality obligations set forth herein, Cboe Indemnified Parties shall not be liable to Data Recipient or its Affiliates, or to any other Person, for Claims and Losses related to the Data, including for any inaccurate or incomplete Data received from Cboe or from a Redistributor, any delays, interruptions, errors, or omissions in the furnishing thereof, or any direct, indirect or consequential damages arising from or occasioned by said inaccuracies, delays, interruptions, errors, or omissions. Data Recipient, in defending any such claim, action, or allegation, except with the written consent of Cboe Indemnified Parties, shall not consent to entry of any judgment or enter into any settlement which (A) does not include, as an unconditional term, the grant by the claimant to the Cboe Indemnified Parties of a release of all liabilities in respect to such claim, action, or allegation and (B) subjects Cboe Indemnified Parties to any obligation in addition to those set forth herein. Cboe shall use all reasonable efforts to mitigate its loss, damage, costs, and expense. Any costs recovered in a settlement will be for the account of Data Recipient.

19. Indemnification by Cboe. Cboe agrees to indemnify, defend, and hold harmless Data Recipient Indemnified Parties from and against all Claims and Losses imposed on or asserted against a Data Recipient Indemnified Party by a third party resulting from, in connection with, or arising out of a claim that Data, or Data Recipient's use thereof, or any Cboe System infringes any copyright, patent, trademark, trade secret, or other intellectual property right; provided that: (a) Data Recipient promptly notifies Cboe in writing of any claim, action, or allegation; however, failure to promptly notify Cboe of a claim shall not relieve Cboe of its indemnification obligations hereunder except to the extent that such failure prejudices the rights of Cboe; (b) Cboe shall have sole control of the settlement and defense of any action to which this indemnity relates, but, upon Data Recipient's request, shall inform Data Recipient of the status of any proceedings or negotiations; and (c)

Data Recipient reasonably cooperates to facilitate such defense. Cboe, in defending any such claim, action or allegation, except with the written consent of Data Recipient Indemnified Parties, shall not consent to entry of any judgment or enter into any settlement which (A) does not include, as an unconditional term, the grant by the claimant to the Data Recipient Indemnified Parties of a release of all liabilities in respect to such claim, action, or allegation and (B) subjects Data Recipient Indemnified Parties to any obligation in addition to those set forth herein. Cboe shall not have the obligation to indemnify, defend, and hold harmless Data Recipient Indemnified Parties for any and all Claims and Losses imposed on, incurred by, or asserted against a Data Recipient Indemnified Party as a result of any allegation of infringement or misappropriation (i) if any Cboe System, Data, or Cboe Specifications have not been used in accordance with this Agreement which resulted in such infringement or misappropriation, (ii) if Data Recipient uses any Cboe System, Data, or Cboe Specifications after Cboe notifies Data Recipient of a potential or actual infringement claim, (iii) to the extent it is based on use of a superseded version of any Cboe System, Data, or Cboe Specifications if such infringement or misappropriation would have been avoided by use of the current version of the Cboe System, Data, or Cboe Specifications, or (iv) if the infringement or misappropriation claim, action, or allegation is the result of the combination, operation, or use of any Cboe System, Data, or Cboe Specifications with hardware, software, or materials, other than those furnished by Cboe, if such infringement or misappropriation would have been avoided by the use of the Cboe System, Data, or Cboe Specifications without such hardware, software, or materials.

In the event of a claim, action, or allegation of infringement or misappropriation or if, in Cboe's reasonable opinion, such a claim, action, or allegation is likely to occur or if the use of any Cboe System, Data, or Cboe Specifications is enjoined because of infringement or misappropriation, Cboe may, at its sole option and expense: (i) procure for Data Recipient the right to continue using the Cboe System, Data, or Cboe Specifications; (ii) replace or modify the Cboe System, Data, or Cboe Specifications to be non-infringing, and require the return of the potentially infringing or misappropriating items, if applicable, without liability to Data Recipient or any other third party; or (iii) terminate this Agreement immediately without liability to Data Recipient (other than indemnification by Cboe in accordance with this Section) or any third party.

Cboe may require the assignee to enter into a new agreement with Cboe. Cboe may assign or transfer this Agreement or any of its rights or obligations hereunder to a related or an unrelated party pursuant to written notice to Data Recipient. Data Recipient shall notify Cboe within fifteen (15) days of any Change of Control.

21. Force Majeure. 22. Severability. Each provision of this Agreement is intended to be severable. If any provision of this Agreement is or becomes illegal, invalid or unenforceable in any jurisdiction, such provision of this Agreement shall be severed and the illegality, invalidity or unenforceability of that provision will not affect: (i) the legality, validity or enforceability of the remaining provisions of this Agreement; or (ii) the legality, validity or enforceability of that provision in any other jurisdiction.

23. Relationship of the Parties. Nothing herein shall be construed to create a joint venture or partnership between the parties hereto. Furthermore, for greater certainty, any Data Order Form pertaining to Data or subscriptions in existence at the time when this Agreement goes into effect shall remain in effect as a Data Order Form under this Agreement as if such Data Order Form were executed on the effective date of this Agreement, unless Cboe has notified otherwise. The individual signing this Agreement for Data Recipient represents and warrants, and Data Recipient agrees, that such individual is duly authorized by Data Recipient to sign this Agreement on Data Recipient's behalf and to bind Data Recipient hereto. The parties agree that Cboe shall be entitled to rely on any Data Order Form submitted by an employee of Data Recipient, as binding on Data Recipient.

If Data Recipient objects to any such amendment, Data Recipient may terminate the Agreement on not less than 30 days' written notice in accordance with Section 15. Data Recipient acknowledges and agrees that any Data Order Form pertaining to Data or subscriptions in existence at the time of an amendment (including a Data Order Form under an Additional Agreement that is being supplanted by this Agreement) shall remain in effect as a Data Order Form or subscription under the amended term(s) of this Agreement as if such Data Order Form were executed or subscription effective on the date of the amendment, unless Cboe has notified otherwise.

Cboe may amend this Agreement, the Data Subscriber Agreement, and the Data Policies without notice where the amendment is to introduce a new Data product.

No failure on the part of Cboe or Data Recipient to exercise, no delay in exercising, and no course of dealing with respect to any right, power, or privilege under the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or privilege preclude any other or further exercise thereof or the exercise of any other right, power, or privilege under this Agreement.
